### Important notes:

**Ski School:** Please note that lesson times are subject to change right until the last minute. Outside French school holidays the ski school reserves the right to cancel group lessons should numbers be insufficient. For peak periods (17/12-6/1, 4/2-3/3 & 1/4-14/4) we strongly recommend that you book as early as possible and in any case at least 6 weeks prior to the required dates. Morning lessons tend to get booked up first and therefore we may only be able to offer afternoon classes within 6 weeks of departure. In some resorts English speaking instructors may not always be available, particularly at peak times.

### PLEASE NOTE

We cannot always guarantee that prices will be cheaper than in resort. When ski packs prices are calculated, the currency is bought at the exchange rates that apply at the time. You can be assured that once you have booked your extras, if the pound depreciates, you will not be charged more for your ski packs, enabling you to budget for your holiday in advance.
