### Important notes:

**Ski School:** Please note that lesson times are subject to change right until the last minute. Outside French school holidays the ski school reserves the right to cancel group lessons should numbers be insufficient. For peak periods (22/12-4/1, 9/2-8/3 & 6/4-26/4) we strongly recommend that you book as early as possible and in any case at least 6 weeks prior to the required dates. Morning lessons tend to get booked up first and therefore we may only be able to offer afternoon classes within 6 weeks of departure. In some resorts English speaking instructors may not always be available, particularly at peak times.

### PLEASE NOTE

Our extras ££ prices are calculated at the exchange rate that applies when the calculations are done. We cannot always guarantee that prices will be cheaper than in resort but you can be assured that if the pound depreciates, you will not be charged more for your equipment, lift passes and ski lessons up **until 30th June**, enabling you to budget for every element of your holiday at the time of booking your accommodation. Once you have booked any extras with us you are guaranteed that their price won't increase.
