Early Winter Ski Deals Launched For Val Thorens, La Rosière And Tignes

Peak Retreats has released a fresh set of early winter 2026/27 ski offers, with savings on selected self-catered apartment holidays in **Val Thorens, La Rosière and Tignes**.

It may feel early to be thinking about next winter, but for skiers who like to lock in the best dates before the rush, these offers cover some of the most popular moments in the season, including pre-Christmas skiing, New Year and January. All three include a return Eurotunnel LeShuttle crossing for one standard car, making them particularly useful for UK skiers planning a self-drive trip to the French Alps.

In Val Thorens, Peak Retreats is offering 10% off apartments at [Les Balcons de Val Thorens](#) for the week commencing 12 December 2026. A 7-night self-catered stay in a two-bedroom apartment is now priced from £392pp based on five sharing, down from £426pp. The price includes a return Eurotunnel LeShuttle crossing for one standard car with a free FlexiPlus upgrade. The offer must be booked by 15 August 2026.

Located in a quieter part of the resort, Les Balcons de Val Thorens offers direct access to the slopes, traditional-style apartments, and on-site facilities, including a restaurant, an indoor heated pool, and a wellness area. Val Thorens sits at the top of Les 3 Vallées, with high-altitude skiing, wide intermediate terrain and impressive views from the Cime Caron cable car.

There is also 15% off New Year skiing in La Rosière, with apartments at Les Balcons de la Rosière available for the week commencing 26 December 2026. A 7-night self-catered stay in a two-bedroom apartment is now priced from £536pp based on five sharing, down from £616pp. The package includes a return Eurotunnel LeShuttle crossing for one standard car. Bookings must be made by 15 August 2026.

Les Balcons de la Rosière

[Les Balcons de la Rosière](#) is a 3★ superior residence in the Les Eucherts area of La Rosière, close to shops, bars and restaurants, with ski-in/ski-out possibilities. Facilities include a wellness area with hot tub, sauna and steam room. Set in the Haute Tarentaise, close to the Italian border, La Rosière is a good choice for families and improving skiers, with sunny, south-facing slopes and broad mountain views.

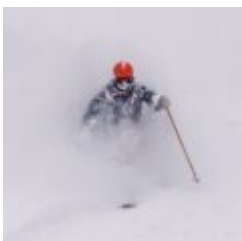

Kalinda, Tignes 1800

For January skiing, Peak Retreats is offering 10% off apartments at [Kalinda in Tignes 1800](#) for the week commencing 9 January 2027. A 7-night self-catered stay in a two-bedroom gold apartment is now priced from £420pp based on five sharing, down from £458pp. The price includes a return Eurotunnel LeShuttle crossing for one standard car with a free FlexiPlus upgrade. This offer must be booked by 31 October 2026.

Kalinda is located at the foot of the 8-seater Boisses gondola in the pedestrianised village of Tignes 1800, with a mini-market, ski hire shop, bakery, and restaurants nearby. Facilities include an indoor heated pool, a separate children's pool, a hot tub, a sauna, and a steam room. Tignes 1800 has a large beginners' area and direct access to the Tignes-Val d'Isère ski area, making it a strong option for mixed-ability groups looking for snow-sure January skiing.
